HUSBAND/WIFE TEAM AMY AND AARON ZAINEA have helped make Rockford a serious dining destination. First they brought Marinades Pizza Bistro to town, then opened Grill One Eleven right next door, where the lower-level lounge features a beautiful full-service bar, and the upper-level dining room showcases Executive Chef Scott Kurkiewicz's seasonal, American-with-a-twist menu. Made with the finest ingredients from local family farms (with fresh fish flown in daily), its variety of mouthwatering chef-inspired fare pleases all palates. Marinades upscale full-service, wood-fired pizza bistro includes a great selection of local craft beer, with seasonal brews crafted onsite. Equally important to the Zaineas is providing realistic value in their casually classy, two-in-one dining establishments. Come as you are!

Marinades' special cheese blend, fresh thyme, rosemary and ground pepper complete this flavorful pie.

Slow-roasted homemade pizza sauce, topped with locally grown eggplant, zucchini, yellow peppers, spinach, red onion and sundried tomatoes.

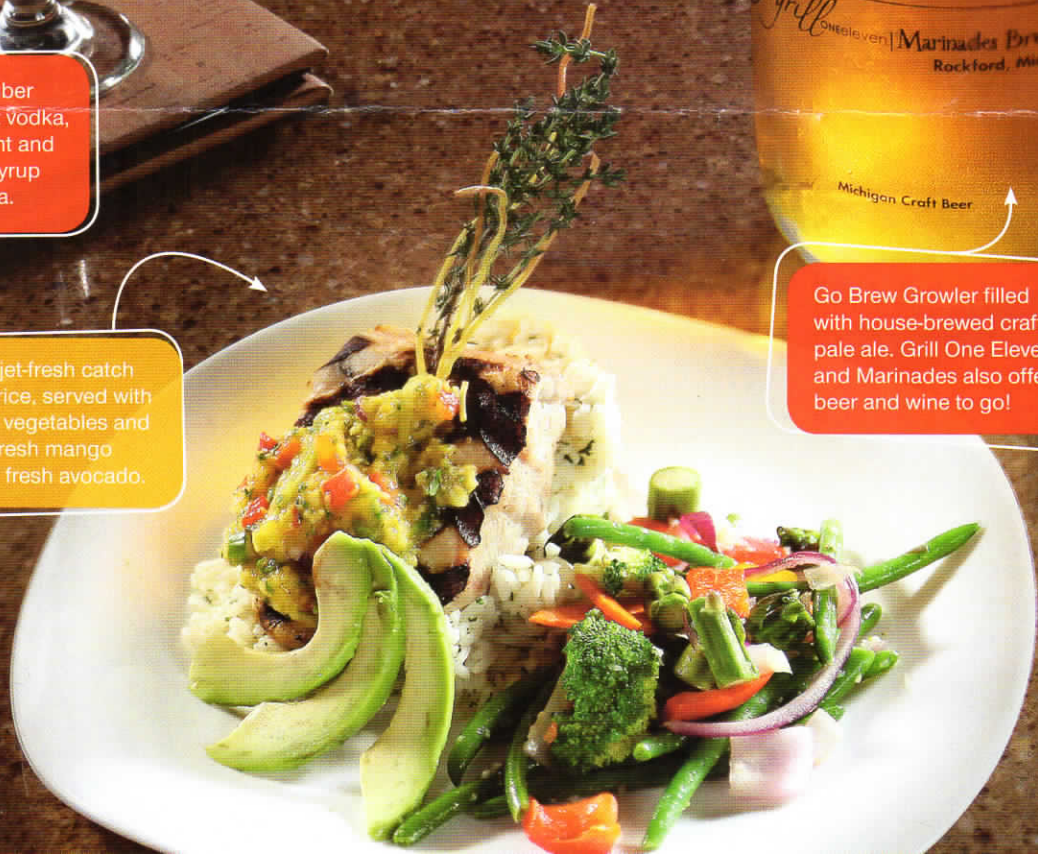

Handcrafted cucumber martini with Absolut vodka, freshly muddled mint and cucumber, simple syrup and a splash of soda.

Go Brew Growler filled with house-brewed craft pale ale. Grill One Eleven and Marinades also offer beer and wine to go!

Wood-grilled jet-fresh catch over cilantro rice, served with locally grown vegetables and topped with fresh mango compote and fresh avocado.
